ATR on Students Feedback 2018-19

The college obtains feedback from the students using College Android App as well as Orally on a regular basis. They give their response on aspects like teaching-learning process, fairness of evaluation, sports, NCC, NSS, recreational hygiene-related issues etc.

The feedback of the college is analyzed and interpreted. The feedback was obtained from 1277 students during the academic year 2018-'19.

The same were analyzed and discussed in the meetings of the IQAC and some of the areas which needed attention were identified keeping the requirements of students in mind.

(1) IQAC has chosen to enhance the college website and expand extracurricular and outreach initiatives for students.

(2) It was decided to publish study materials on the college website, enabling students to conveniently access these resources from their homes.

(3) It was considered to incorporate skill enhancement courses and value-added programs in the upcoming sessions.

(4) IQAC believes that necessary students should be provided with remedial classes for additional support.

(5) To use ICT tools for better enhancement of Teaching and Learning.
