Seminar Report: One-Day Seminar on Research Work

Key Highlights:

Inaugural Ceremony: The seminar commenced with an inaugural ceremony attended by Principal Dr. V. M. Vanar and the organizing committee. Dr. P. P. Patel delivered the opening remarks, highlighting the importance of research in advancing knowledge and addressing societal challenges.

Expert Session: Dr. Chetan Modi, an esteemed expert in research methodology, delivered an insightful session on various aspects of research work, including problem formulation, literature review, research design, data collection methods, analysis techniques, and interpretation of findings. He provided practical guidance and examples to illustrate key concepts and principles.

Research Methodologies: The seminar explored different research methodologies commonly employed in academic and applied research, such as quantitative, qualitative, and mixed methods. Participants gained insights into selecting appropriate methodologies based on their research questions, objectives, and contexts.

Conclusion: The one-day seminar on Research Work provided participants with valuable insights, knowledge, and skills to undertake research effectively and ethically across disciplines. The event facilitated learning, knowledge sharing, and networking opportunities, empowering participants to conduct meaningful research and make valuable contributions to their fields of study.
